8. MOTION: EMPLOYMENT OF ECD TEACHERS ON CONTRACTUAL BASIS
(BY HON. DAVID LEMANTILE)

Aware, that Early Childhood Education (ECD) is a devolved function according to the Fourth Schedule of the Kenyan Constitution (2010); Further aware that the objective of devolution is to bring services and resources closer to the people; Appreciating that the provision of Early Childhood education is the mandate of the County Government and this shall be guided by the values and principles that guarantees the right of every child to free and compulsory basic education, equal access to education and promotion of quality life; Worried that despite the growing importance of Early Childhood Education, there are a number of challenges that have continued to pull down its effective implementation including inadequate trained ECD teachers who are registered with Teachers Service Commission(TSC) in some marginalized centers within the county; Concerned that this affects implementation of ECD Curriculum negatively as creation of a sustainable learning environment; This will deny these centers Oldonyiro, Ngaremara, Sericho and Cherab wards to get enough ECD teachers; Further worried that in this situation those centers will lag behind in Education; This Assembly recommends that the teachers from these marginalized centers without TSC numbers to be employed on a 2 years contractual basis.
