" THAT, Pursuant to the provisions of Standing Order No, 182 of the County Assembly of Isiolo Standing Orders, this County Assembly debates and adopts the Report of the Tourism, Trade and Cooperatives Committee on a Visit to Lewa Conservancy, Samburu National Reserve and Bufallo Springs."

***Debate Arose;***

***Motion Deferred***

Considering the importance of this motion and its contribution to the economy of this County, the question was not put until Thursday, 12th April, 2018 at 2.30pm. The Speaker felt that the recommendation is not to the standard expected. He expected the Committee to give the total that has already been invested in the park. And because we are in the County Government coming again, whether to repeat the same again. He ruled that the question will be deferred and will not put the question for now. You will have a humble time to do more work on this Report. Thank you.
